

INDUSTRIAL DIESEL TECHNICIAN TRAINING

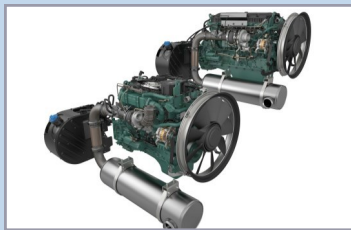

5 & 8 LITER TIER 4 SERIES

Tuesday, September 20 at 8:30 AM, ET through Thursday, September 22 at 4:00 PM, ET.

Technician training class for 5 & 8 liter engines and Tier 4 after-treatment system.
Register your technicians for training online:

1. Log in to **VPPN**
2. Click "**Global Training Academy**" on the left side toolbar.
3. Click the "**Administer**" tab on toolbar
4. "Manage My Employees" will appear with a list of all employees. Choose course registrations.
5. "Manage Course Registrations" will appear. Enter "VPA-" into the search queue.
6. Once a course is selected, move on to selecting tech(s) who will attend.
7. Click your tech, then click the arrow to move to the attendee side for the course. Once complete, click finalize.

Schedule:

Monday, Sept. 19 - Arrive at Norfolk International Airport (ORF)
Tuesday, Sept. 20 - Class runs 8:30 - 4:00, ET
Wednesday, Sept. 21 - Class runs 8:30 - 4:00
Thursday, Sept. 22 - Class runs 8:30 - 4:00
Thursday, Sept. 27 - Depart from ORF, 6:30 PM ET earliest

Note:

To register for this course, technicians must have already completed the Introduction to Tier 4 Final course and Volvo Penta Professionals Global Competency Assessment.
